

WEBSITES WHERE YOU CAN CREATE A FREE WEB PAGE:

WIX:

www.wix.com

Templates, easy editor, widgets and other web tools you can add to your page.

Easy to upgrade to an “owned-domain” website.

Online tutorials, help and support. Can create more than 1 free website.

YOLA:

www.yola.com

Templates, although there are fewer than Wix and then are not as elaborate.

Editor is easy but not as easy as Wix.

Easy to upgrade.

Online tutorials, help and support. Can create more than 1 free website.

SHUTTERFLY

www.shutterfly.com

Templates, although fewer than Wix, they are very attractive and easy to change.

Great for sharing Photos and for friends and family to order prints and other gifts

That can be created from online photos.

Has a built-in blog for photo albums, has a calendar of events, member list, etc.

Security for the site can be adjusted to allow friends and disallow others.
