

MASTER THE POSSIBILITIES: SHARING YOUR THOUGHTS

How are we doing?

MTP is interested in what you have to say about our programs and what you'd like to see in the future. Please take a few minutes and complete this survey. Your input will help us design and refine future programs. This survey will only be used to assist MTP in developing programming that meets/exceeds students' expectations. We will present the findings in a March forum (date TBD).

Return this completed survey to MTP by February 15th and receive a "Square Buck" that can be used at Sid's or Mr. B's.
